T3 PLAY

T3 Play is a web3 game studio building an **all in 1** platform launcher and marketplace, pushing the boundaries of gaming into a **new frontier** with Our shooter game **Poly Gunnerz** - Imagine if Counterstrike integrated **web3 culture** and **blockchain benefits**, that's what **Poly Gunnerz** is!

We're also working on **3** web3 gaming *firsts*:
- A unique way to onboard **active web3 communities and content creators**
- Our **ATO** (Active to Own) system.
- A robust, sustainable, and flexible 2 token system that's **web2** user *and* **app** friendly!
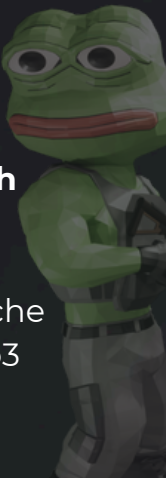

POLY GUNNERZ

Current stage: Multiplayer Demo
Partners onboarded: 30+
Full Launch: Q4 2024

PRIMARY CATALYSTS

Poly Gunnerz
- **Content creators dream game**
- Quality, simple, fun, accessible, addictive
- **100+** communities integrated for **full launch**
- **Mobile/PC/browser/web2 app** friendly
- **Free to play + High Stakes**
